Close to home

Life is busy. But that shouldn't get in the way of your education. At Delta, you'll find options that fit your day-to-day life. Take classes online, at our main campus, or one of our three downtown centers in Bay City, Midland or Saginaw. You'll find day and evening class options.

100% online programs including:

- Accounting
- Cybersecurity
- Digital Forensics
- Management
- Medical Administrative Assistant
- Plant-Based Nutrition
- Writing and more!

You may have already completed a portion of your degree!

Through Credit for Prior Learning (CPL) students with credit from high school or career center courses may be able to use that toward their degree. CPL is also a great tool for students who have taken high school advanced placement or international baccalaureate courses. Adult students can earn college credit for the knowledge gained in their life and work experiences.

Learn from top-notch professors.

Simply put, Delta's faculty love teaching and are devoted to helping their students realize their potential. Plus, many of them are well-known researchers and practitioners in their fields.

Take the next step.

1. Apply to Delta College

Go to delta.edu/apply. Create an application account (*use personal email, not high school or parent*) and submit a new application based on your student type.

2. Determine Course Placement

Guided Self-placement Survey

This quick placement survey allows you more flexibility to select the math and English courses that best align with your academic pathway, experience and comfort level.

3. Delta Student Account Activation

Approximately four hours after receiving your acceptance email, you'll receive an email from accounts@delta.edu with instructions on setting up your Delta Student Account and multifactor authentication (MFA).

4. Complete Online Orientation

Once the admissions office has received notice that you've completed the above steps, you'll be sent an email to your application account email with instructions to self-register for online orientation and pre-advising.

5. Request Transcripts

High School: If you are a graduating high school senior, send your high school transcripts directly to admissions@delta.edu. Request through Parchment.com or your high school counselor.

College: If you attended another college or university, have your "OFFICIAL" transcripts sent to registration@delta.edu

Transcript evaluation may take 4-6 weeks.

6. Apply for Financial Aid

The Free Application for Federal Student Aid (FAFSA) will determine your eligibility for many federal and state grants, loans and scholarships such as Pell, Tuition Incentive Program (TIP) and many others.

Step 1: Create your federal Student Aid ID at studentaid.gov, by clicking create account.

Step 2: Fill out the Free Application for Federal Student Aid (FAFSA) Form. **Delta's school code is 002251.** Please allow 4-6 weeks for processing.

“On the soccer team I met new friends, traveled, had awesome experiences and we won nationals during my freshman year. I would 10/10 recommend Delta College.”

- **Olivia Rechsteiner**
Delta College alumna

Women's soccer was the national runner-up in 2023.

7. Connect with Your Student Success Advisor

Your Student Success Advisor is your go-to resource during your Delta journey. To start, they will make course recommendations based on your selected program path and help you register for classes; but you can ask them anything that comes up along the way.

8. Explore Campus
